Action Plan October 2003
Updated July 2004, December 2009

Formation of SFC CESU  November 2000
Renewal of the SFC-CESU  January 20005

Web Site
The SFC CESU web site was established in February 2001. It is continually updated and at the present time can be updated from any internet access site. Individual passwords have been assigned to all CESU members. Announcements, meetings, job opportunities, and RFPs are listed on this site.

The Web site auto archives all posted RFPs and meeting announcements.

The Web site can post minutes of executive and management committee meetings

The Web site includes the Action Plant (this document).

The action is a living document and continually updated to reflect recent developments.

Formulation of Strategic Plan  March 2001
The strategic plan was formulated at a meeting of all the academic partners of the SFC CESU in March 2001.

The strategic plan has been updated to reflect the joining of FAU, USFWS, FIU, IRC, USF, Army Corps, and NRCS. Updates to the plan were discussed at the October 2003 meeting of the management committee and the updates were discussed at the management committee meeting on July 8th, 2004.

Additional updates of the strategic plan were posted on May 6th, 2006, January 7th, 2008, and December 29th, 2009.

Peter Swart and Carol Daniels attended the 2003, 2005, and 2007 National Meetings.

Establishment of NPS Employee at RSMAS  September 2001
Dr. Carol Daniels, a NPS employee was stationed at the University of Miami for the purposes of increasing interaction between NPS and the SFC CESU.

Addition of Additional Partners
Additional partners are being continually being considered. Dr. Swart and Dr Daniels were primarily responsible to the joining of the Army Corps of Engineers at the
National and local level. The following table (Table 1) documents the addition of additional federal and academic partners.

Table 1

**Formation of an Executive Committee**

The executive committee of the SFC CESU was formed during the initial stages of the SFC CESU. It consists of the principal contact from all federal agencies. The minutes from these meetings are published on the SFC CESU web site.

**Formation of a Management Committee**

A management committee was formed in August 2003 and the first meeting was held on October 27th, 2003. The members of the committee are listed on the SFC CESU web site. Meetings will be held quarterly and the minutes are published on the web site.

**Science Meeting**

Semi-annual science meetings have been held at various locations. The last one of these was a joint meeting with the Gulf Coast and Piedmont CESUs in Orlando. The SFC-CESU provided financial support for this meeting. A science meeting sponsored by the SFC-CESU ‘Predicting the Climate of the Coming Decades’ will be held in Miami, January 11-14th, 2010.
